

Benefit for Our Lady Of Hope Clinic

Welton Enterprises, Inc. is excited to offer sponsorship opportunities for our Benefit for Our Lady Of Hope Clinic on July 8th, 2015 at the Badger Bowl. 100% of the sponsorship dollars go directly to Our Lady Of Hope Clinic!

Our Lady of Hope Clinic, a nonprofit organization, is Dane County's only completely free primary medical care clinic for uninsured men, women and children. Unlike most free and reduced-fee clinics in the area, Our Lady of Hope Clinic is unique in that they offer walk-in appointment times four days a week; effectively eliminating the need for those without insurance to wait weeks, or longer, to see a doctor.

According to Kaiser State Health Facts 2013 report, 9% of the Wisconsin population has no health insurance, a decrease of just 1% with the implementation of the Affordable Care Act. By providing free medical care to those in need, Our Lady of Hope Clinic allows the uninsured to eliminate at least one financial worry. They have found that the majority of their recipients are either temporarily unemployed, underemployed, or working at least one part-time job that does not offer medical insurance.

By treating minor illnesses and injuries early on, or helping to manage chronic conditions such as diabetes and hypertension, Our Lady of Hope Clinic is reducing the number of unnecessary visits to Madison's emergency rooms. It is also helping to ensure that the recipients are not buried by seemingly insurmountable medical bills as they focus on getting their lives and finances back in order. Your sponsorship funds will allow them to continue to provide unique and desperately-needed services.

Your funds help in the following ways:

- \$ 1000 provides one month of laboratory fees for our uninsured patients
- \$ 500 purchases one month of basic medical supplies
- \$ 250 would pay for nearly one week of our rent
